Respect - Professionalism – Care – Commitment - Collaboration

Clinical Midwife Educator 0.6 FTE

Are you passionate about providing great midwifery care to rural women? Are you keen to progress your career in a supportive environment? Do you love teaching and supporting other midwives to provide the best care they can? Swan Hill Maternity ward needs you.

We run a small 8 bed ward with 2 birthing room's offering level 3 birthing service and level 2 Nursery Care.

Work/life balance is what you get working at Swan Hill District Health.

As well as lifestyle comes:

- Advanced training opportunities
- A professional and committed workforce
- Variety in work and a sense of achievement for the community

We are located on the Heart of the Murray River, around 3.5 hours from Melbourne.

Swan Hill is a safe place where you will be greeted with a warm smile from our friendly local community.

What we are looking for...

- Demonstrated no less than five years' recent clinical experience as a midwife and evidence of providing clinical education to nurses and midwives using adult learning principles and facilitation skills, and hold relevant postgraduate qualification (master's minimum preferred) in midwifery.
- Demonstrated continuous quality improvement with the ability to preceptor / mentor / or clinically supervise others to: comprehensively conduct assessments; develop a plan for nursing practice; provide safe, appropriate and responsive quality midwifery practice; and evaluates outcomes to inform midwifery practice.
- Demonstrated knowledge and application of adult learning principles with demonstrated knowledge and use of the NMBA approved standards, codes, guidelines and frameworks to conduct assessments
- Demonstrated high level interpersonal skills, excellent written and verbal and digital communication skills, advanced computer skills and use of software programs to develop and deliver education
- Demonstrated commitment to own professional development to maintain, improve and broaden knowledge, expertise and competence, capability and develop the personal and professional qualities required through the use of research and evidence based practice reflecting an understanding of contemporary matters
