

Changes to the Swan Hill District Health-Alcohol & Other Drug Service

Government changes to the Alcohol & Other Drug (AOD) Services have occurred.

For people seeking assistance and support for AOD issues please make contact with Staff at 13 Pritchard Street Swan Hill or phone 03 5033 9880. Staff will explain the changes.

Contact can also be made through the Swan Hill District Health – Emergency Department.

Alternatively call ACSO on 1300 022 760 or: www.acso.org.au.

Contact can also be made through DirectLine on 1800 888 236 or www.DirectLine.org.au

The Swan Hill District Health – Emergency Department is available on a 24 hour basis. Ph. 03 5033 9231

A range of Alcohol and Other Drug programs will continue to be provided

Swan Hill District Health – Alcohol and Other Drug Service **includes the following programs** :

- Face to Face Assessment
- Counselling
- Non Residential Withdrawal
- Pharmacotherapy
- AOD Health Education

Needle exchange continues to operate through the Swan Hill District Health Emergency Department.

All programs are conducted in accordance with ‘Harm Reduction’ guidelines.
