Specialist Anaesthetist/ GP Anaesthetist

Permanent – Part Time / Full Time

Swan Hill District Health (SHDH) is seeking to attract Consultant Anaesthetists and General Practice Anaesthetists looking for an opportunity to join a team of dynamic individuals who thrive among good culture? As our surgical footprint expands, we are looking for a commitment towards building a team to train junior doctors in Anaesthetics through various post graduate pathways.

This is a growing service and has recently received funding for Phase 1 of our new hospital build. SHDH are committed to a hybrid of consultants and GPs who support a busy Surgical Service delivering elective and emergency care as well as the rural generalist model of care. We will consider part time, full time and VMO FRANZCA's / JCCA who are interested in delivering high quality services in a teaching environment.

Swan Hill District Health also operates the Swan Hill Primary Health Medical Centre that has a footprint of 8 GPs and has capability to support GP Anaesthetists looking for part procedural work. We have great Employee benefits such as access to generous remote area salary packaging arrangements and professional development and other training opportunities.

Swan Hill is located on the Majestic Murray River in rural Victoria approximately 3.5 hours north-west of the Melbourne airport. We employ approximately 630 staff and service a 100 km radius area with an estimated catchment area of around 35,000 people. The Hospital has a 24/7 department with access to on-call Anaesthetics; Medical, Surgical consultants. We are also bidding to develop a rural clinical school and there will be an opportunity to deliver both undergraduate and postgraduate education.

We have great culture!!!
