

# Social Support Groups NDIS Services

Swan Hill District Health is able to service NDIS participants who are:  
**self managed or plan managed.**

## Eligibility Criteria:

Participants will be assessed on a case by case basis if they are socially isolated and are requiring ongoing social support

We offer a variety of group programs for older adults with an emphasis on socialization and participation. We aim to empower clients to remain independent and living at home.

If you are interested in attending a Social Support Group please contact our NDIS Coordinator.

Marisa (NDIS Coordinator) is available part time and can be contacted on 0436 475 840 or through email: [ndis@shdh.org.au](mailto:ndis@shdh.org.au). She will handle all NDIS related enquiries, review your eligibility for our groups and to develop a service agreement, which is required prior to service commencement under NDIS.

For those not meeting our criteria, we are aware of another service in the area:

Echuca Discoveries  
[www.echucadiscoveries.com.au](http://www.echucadiscoveries.com.au)

*\*Please note: NDIS participants and/ or their families or support coordinators are encouraged to search for other providers.*
