General information

Swan Hill District Health (SHDH) is a public hospital committed to providing quality health care and services to meet the needs of our diverse community. SHDH also provides extensive inpatient and home care services.

Meal Times Breakfast: 7:50am Lunch: 11:50am Dinner: 5:00pm

Telephone

Inpatients have a bedside phone for incoming calls. Friends and relatives can call the relevant ward and the call will be transferred to your phone.

Television

Most rooms have a private television. Please respect the rights of other patients by not having the volume up too loud.

Parking

Parking spaces around SHDH are limited, so please observe parking time restrictions.

Feedback

feedback@shdh.org.au

(03) 5033 9317

If you've been a patient at SHDH you might be randomly selected to complete a **Victorian Health Experience Survey**, which is coordinated by the Department of Health. We welcome your input as it allows us to improve the services that we offer.

Notes

Smoking

SHDH has a no smoking policy. Smoking is not permitted in SHDH buildings or grounds, or within four metres of external doorways. Patients will be given support to stop smoking whilst an inpatient, including free Nicobate[®] patches.

Visiting

Visiting times and numbers may vary, according to what is happening with alerts in the community.

Please be sure to check the website, or ring ahead, before heading to the hospital.

Note: visiting hours may be affected by health alerts – please check the website

Discharge

Discharge planning starts as soon as you are admitted to SHDH. The participation of patients, family and carers is highly encouraged to help ensure a safe, positive discharge. Discharge times start from 10:00am onwards.

Valuables

Please do not bring valuables with you to hospital. This includes large amounts of money, jewellery and items of sentimental value. If you have valuables with you please advise staff as soon as possible so they can be stored in the ward safe while you are in hospital. SHDH takes no responsibility for unsecured valuables.

Interpreter services

Telephone interpreter services are available if you require assistance understanding the healthcare you are receiving. Please advise any SHDH staff member if you require this service.

Falls prevention

Falling over is the main cause of injury in hospitals. Falls can cause serious injuries and disability. Many of the falls in hospital are preventable.

On admission, a nurse will assess your risk of falling, and if you are considered to be at risk, we'll work with you, your family or carer to develop a plan tailored to reduce this risk.

Fire and emergency responses

If you or your visitors see smoke, please alert the staff within the department immediately. If you are alerted to an emergency via the audible alarm system (you will hear SIREN CODE RED, etc.) please follow instructions given to you by SHDH staff.

Reporting a hazard

If you witness a condition or activity that you believe is capable of causing harm, please inform nursing staff as soon as possible.

No matter what the situation, violence, aggression and discrimination towards staff, volunteers, patients or visitors is NEVER OK.

SHDH has a zero tolerance policy to aggression and violence toward staff. Weapons and/or unacceptable behaviour will not be tolerated, and will result in security and police being called.

Medical records

When you become an inpatient at Swan Hill District Health a medical record is created. This record contains your name, address, date of birth, contact details, information required for billing purposes and medical information regarding your stay in hospital, it also includes your past medical history and future treatment plans.

Confidentiality

Everyone working for SHDH has a legal, moral and ethical duty to keep information about you confidential. The information collected about you is stored in a secure area and we have strict rules on who can access or receive your

information. We only pass on information about you to those who are involved in your treatment, or if authorised by you or by law.

Freedom of information (FOI)

You have the right to access your medical record under the Freedom of Information Act 1982 (Vic). Requests for access should be directed to the **Freedom of Information Officer**. You can write to us directly, complete an FOI form online or request a form from front reception. FOI requests can take up to 30 days to be processed.

Please note that application and administration fees apply.

Pharmacy (open Monday to Friday 8:30am – 5.00pm)

Medications are supplied by the pharmacy department to admitted patients at no charge. Discharge medications can be dispensed by the Pharmacy Department and charged at normal Pharmaceutical Benefits Scheme (PBS) prices; or you might be given a prescription that can be filled at your selected pharmacy.

Infection control

Regular hand washing is strongly recommended for all staff and visitors at SHDH. Alcohol hand rub is located throughout the hospital to help stop the spread of some infections.

Diversity and inclusiveness

Swan Hill District Health recognises, respects and values the diversity of its consumers, staff and the community in which it operates. Equity in health care requires that all consumers have equal access to high quality and safe healthcare, regardless of their cultural, linguistic, religious, sexual orientation or socio-economic considerations.

Use of your information

To ensure you receive appropriate care while you are a patient at SHDH, your health information will be shared among the health professionals involved in your care. Your medical record is a means of communication for your healthcare team and other healthcare facilities that you may attend in the future. SHDH is required by legislation to report information to the following government authorities where relevant: (*These authorities are also bound by privacy laws and principles*)

- Victorian Cancer Registry
- Victorian Perinatal Data Collection Unit
- The Department of Health (Statistical information only no names)
- Communicable Diseases Prevention & Control Unit
- When there is immediate danger to the community
- If record is subpoenaed for court

If you wish to withdraw consent for sharing your information with any person or agencies you can state this on the Patient Authority for Release of Information form, which you will be asked to sign on admission or pre-admission.

We may use some of your health information for the purpose of research, statistical analysis, quality improvement activities or staff education, although we will not use any information which identifies you.
