coverage over holiday periods. Regular welfare checks and support provided to all JMO's and helping seek assistance if required.

- Arrange completion of performance assessments as required and lodge with Medical Board or parent hospitals as required.
- Ensure junior doctors complete mandatory training as per SHDH policy.
- Work closely with Health Information Systems (HIS) ensuring HMO's and SMO's receive adequate training and feedback regarding Medical Record documentation.
- Ensure discharge summaries are prepared by junior doctors in a timely manner.

Senior Doctors

- In collaboration with the Medical Services Manager and Executive Director Medical Services, support the process for credentialing, defining scope of clinical practice and appointment of Senior doctors.
- Management and coordination of senior rosters to ensure adequate coverage in all departments and supervision of JMOs.
- In collaboration with the Medical Services Manager and Executive Director Medical Services, support the recruitment of senior doctors, including preparation of interviews.
- Assist the Medical Services Manager and Executive Director Medical Services with the coordination of SMO orientation, the administration of salaried senior medical staff Continuing Medical Education activities and claims, and the administration of senior medical staff performance appraisals.
- Prepare and distribute rosters and replace sick/ad hoc leave.
- Support of any further training or CME requirements.

Locums

- Develop positive relations with Locum Agencies and work towards the creation / maintenance of a 'pool' of relief medical staff.
- Maintain a list of local Locums who are not through agencies.
- Ensure optimal arrangements with agencies regarding payments, accommodation, travel, etc.
- Approval of locum timesheets.
- Arrange appropriate locum orientation and information to be sent prior to arrival.
- Preparation of various locum contracts direct to locum Drs.

Administrative Support

- Management of Kronos including schedules and timecards for Medical Services Employees of SHDH.
- Ensuring various penalties for various awards allocated correctly as required in Kronos.
- Liaison with relevant stakeholders regarding any IT issues that arise for Medical Staff.
- Draft advertisements, position descriptions and other recruitment tools and coordinate relevant approval before circulation.
- Assist with the development of and maintain Medical Workforce related documentation including up to date policies and protocols.
- Keep current list of medical board registrations, and provider and prescriber numbers.
- Provide administrative support for Executive Director Medical Services, as required.

	<p>OTHER</p> <ul style="list-style-type: none"> • Coverage of Medical Services Manager Leave as required. • Attendance and participation at PMCV Meetings, for both HMO Managers and MEO co-horts. • Support relocation of medical staff to Swan Hill including making accommodation arrangements and liaison with other SHDH Departments as required along with the Medical Services Administrative Support Officer. • Ensure that optimal arrangements to support medical staff training and education are provided including access to computers, wi-fi, etc. • Provide a centralised contact point for medical staff to discuss any workplace issues/grievances. • Coordinate the management of employment-related issues, including logging of incident reports as per SHDH policy. • Assist the Medical Services Manager and Executive Director Medical Services with medical workforce budget and workforce planning and reporting. • Assistance with leave coverage within Medical Services Admin team as required. • Participate as an effective and cooperative team member at all times. • Perform all duties with a continuous improvement ethos. • Any other duties as may be requested from time to time. <p>Projects</p> <ul style="list-style-type: none"> • In collaboration with the Medical Services manager, liaise with staff from across SHDH to optimise the quality, safety and efficiency of the work of medical officers in delivering patient care. • Explore innovative ways to streamline medical administration processes. • Develop positive relationships and facilitate enhanced development and retention opportunities for medical staff. • Assist with other relevant quality improvement projects.
