Registered Nurse- Sub-acute

Full time permanent (1.0 FTE), rotating roster (AM/PM/ND)
YP4-YP9

A Full-Time position is available for a Registered Nurse in our Sub-Acute ward to join our enthusiastic team of Health Professionals at Swan Hill District Health.

The Opportunity

Join Swan Hill District Health as a Registered Nurse in our Sub-Acute Ward, where you will play a key role in delivering high-quality, patient-centred care within a supportive multidisciplinary team. You will work across a diverse patient cohort, including rehabilitation, palliative and complex care, supporting patients and their families throughout their healthcare journey.

This is an exciting opportunity to apply your clinical expertise in a dynamic healthcare environment, contributing to safe, evidence-based practice and positive patient outcomes. You will collaborate closely with colleagues, participate in care planning, and support a culture of continuous improvement aligned with our vision of Connected Care – Best Experience.

Ideal for an experienced and adaptable nurse, this role offers variety, professional growth, and the opportunity to make a meaningful impact in a community-focused health service.

You Bring

- Current registration as a Division 1 Registered Nurse with AHPRA, with a minimum of three years' experience
- Demonstrated clinical experience in acute medical, surgical and/or palliative care settings
- Sound understanding of evidence-based practice and relevant clinical standards and accreditation requirements
- Strong interpersonal and communication skills, with the ability to work effectively within a multidisciplinary team
- Well-developed organisational skills, including attention to detail and accurate clinical documentation
- Confidence in using clinical information systems and general computer applications

Mandatory Requirements

- Current National Police Check, or willingness to obtain
- Working with Children's Check, or willingness to obtain
- Evidence of immunisation in line with the Health Services Act requirements
