Swan Hill District Health is seeking an experienced and motivated Senior Medical Officer of Emergency Medicine to join our progressive rural health service. This is a unique opportunity to provide clinical support and supervision in a modern Emergency Department while enjoying the benefits of rural practice, strong professional support and excellent work life balance. Join a regional Community with new opportunities, drive innovation and improvement, while mentoring and educating the next generation of medical professionals!

### **About Swan Hill District Health**

Swan Hill District Health is a 143-bed health service (including aged care) employing approximately 750 staff, delivering care to a regional population of approximately 40,000 people across a 100 km radius. Located on the banks of the Murray River, Swan Hill is approximately 3.5 hours from Melbourne and offers an outstanding lifestyle with affordable housing, excellent schools and a strong community culture.

More than 12 months ago, SHDH opened a brand-new Emergency Department, now seeing approximately 18,000 presentations per annum. The department features state-of-the-art facilities, including resuscitation bays, isolation rooms, fast track areas and infrastructure planning for a Short Stay Unit scheduled for 2027

The Emergency Medicine Senior Medical Officer works collaboratively with the Emergency Medicine Multidisciplinary team to provide clinical leadership and support, for the department. The role supports medical workforce, quality and safety initiatives, education and service development, while contributing to a shared leadership model within the Emergency Department.

The position is supported by a skilled medical and nursing workforce and works closely with executive leadership, hospital services and regional partners.

The Emergency Department is staffed by FACEMs, FACRRMs and FRACGPs with emergency medicine expertise, junior medical officers and nurse practitioners. Regional support is provided by Bendigo Health, with tertiary referral centres located in Melbourne.

The ED is well supported by onsite services including:

- Acute Medicine
- Anaesthetics
- Obstetrics and Gynaecology
- General Surgery
- Geriatrics and Rehabilitation
- Residential Aged Care (on-site and off-site)

Swan Hill District Health also operates primary care (GP) services from purpose-built facilities, delivering a truly integrated rural healthcare model.

### Key Responsibilities

- Act as the medical officer in-charge when working clinical shifts in ED, directing the activities of other medical staff in ED and overseeing their management of patients.
- Work with other medical staff and the multidisciplinary team to ensure provision of safe and quality care, continual improvement of services, promotion of teamwork and development of recommended hospital protocols.
- Provide direct medical management of ED patients, including history and examination, investigation, formulating diagnosis, prescribing and administering interventions.
- Support continuity of ED patient care through training and supervision of other ED medical staff in clinical handover and documentation activities, and exercising clinical judgement and delegated authority to admit or transfer patients to other facilities, or to discharge patients to ongoing care in the community
- Liaise with patients, carers and family members and other health/community services.
- Participate equitably on the On call Roster
- Ensure SHDH meets NSQHS and Aged care Quality Standards.
- Responding to hospital 'Code Blue' and 'Medical Emergency Team' calls, and providing emergency resuscitative measures as a key member of the team.\
- Liaise with patient's admitting medical officer and other visiting medical officers, and assess requirement for attendance by these other medical staff.

### Applicants must demonstrate:

Current registration with AHPRA as a Specialist in Emergency Medicine (FACEM) **or** Specialist General Practitioner (FRACGP or FACRRM) with advanced emergency medicine qualifications

**Demonstrated** recency of practice and high-level clinical expertise in Emergency Medicine in Australia or an equivalent setting

**Proven** ability to provide clinical leadership, model professional behaviours and work effectively within a multidisciplinary team

**Strong** written, verbal and interpersonal communication skills

**Demonstrated** commitment to clinical governance, patient safety and quality improvement

**Commitment** to teaching, supervision, professional development and research activities

**Willingness** to participate in an equitable medical roster, including evenings, weekends and on-call requirements
