Mental Health/AOD clinician 1.0 EFT (part-time considered)

A full time position is available for a Mental Health/AOD clinician to join our enthusiastic team of health professionals in the Counselling Department at Swan Hill District Health.

The Position

The role of the clinician is to provide therapeutic, evidence-based, and person-centred interventions within a multidisciplinary counselling service. This includes conducting comprehensive assessments, developing treatment plans with client goals, providing individual counselling, coordinating care, and facilitating referrals to appropriate internal and external services. The Clinician will support clients experiencing a range of mental health concerns and alcohol and other drug (AOD) issues, working collaboratively with clients, families, and service providers to promote recovery, wellbeing, and positive health outcomes.

You Bring

- A qualification in psychology, social work, or counselling with registration to the relevant professional body.
- Certificate IV in AOD or have completed the AOD core competencies, or able to complete in the first 12 months of employment.
- Experience working with people experiencing mental health and alcohol and other drug issues
- Ability to provide high quality engagement, assessment, treatment and support services to individuals and their families
- High level of communication skills
- Ability to work well in a multi-disciplinary team

Mandatory requirements

- Current National Police Check, or will to obtain.
- Working with Children's Check, or will to obtain.
- Evidence of immunisation records/history as part of the Health Services Act 1988, 2020 Amendment (Mandatory Vaccination of Healthcare Workers).

Position:	Mental Health Clinician - Alcohol and Drug focus
Classification:	Based on tertiary qualification and or Certification - 4 Alcohol and Other drugs
Department:	Counselling
Reports to:	Senior Manager Mental Health
Position Summary:	To provide therapeutic, evidence-based, and person-centred interventions within a multidisciplinary counselling service to clients experiencing a range of mental health and alcohol and other drug (AOD) concerns.
Responsibilities:	Provision of: • Conduct comprehensive mental health and alcohol and other drug (AOD) assessments, including risk assessments and ongoing risk management • Develop and implement evidence based, person-centred treatment plans that align with client goals and support recovery outcomes • Provide individual counselling and therapeutic interventions using evidence based practice • Coordinate client care through effective collaboration with internal and external stakeholders, including participation in case conferences and care team meetings when required. • Facilitating referrals and promote access to appropriate internal and external services. • Work collaboratively in a multidisciplinary team to support integrated and holistic care • Maintain accurate, timely, and professional clinical documentation in accordance with organisational, professional and legislative requirements. • Participate in regular clinical supervision, reflective practice and performance development activities • Engage in ongoing professional development to maintain clinical knowledge and skills • Compliance with the code of ethics, standards of practice and registration requirements relevant to the discipline.
Key Selection Criteria:	Essential: • Tertiary qualification in Psychology, Social work, or Counselling with current registration or accreditation with the relevant professional body. • Certificate IV in Alcohol and Other Drugs (AOD) or completion of the AOD core competencies, or willingness to complete these within the first 12 months of employment. • Demonstrated knowledge and experience of therapeutic interventions and managing clients experiencing mental health and alcohol and other drug (AOD) concerns. • Proven ability to engage, assess, and provide treatment and support to individuals and their families • Knowledge of recovery oriented, trauma informed and personal centred practice approaches • Highly developed interpersonal, verbal and written communication skills • Ability to work collaboratively and effectively in a multi-disciplinary team environment

	• Strong information technology skills including the use of clinical software, data collection software and Microsoft Office applications • Current National Police Check. • Working with Children's check • Evidence of immunisation records/history as part of the Health Services Act 1988, 2020 Amendment (Mandatory Vaccination of Healthcare Workers), through either documentation or copy of serology report. It is required that there is immunization for all vaccine preventable illnesses.
Salary/Award:	Salary in accordance with Allied Health Professionals (Victorian Public Health Sector) <i>Single Interest Enterprise Agreement</i> .
First Nations:	Swan Hill District Health would like to acknowledge First Nations communities of Wamba Wamba, Wadi Wadi, Barapa Barapa, Latji Latji and the Tatti Tatti people on whose land, we work and live. We pay respect to all Elders past and present and honour their connection to the land and water.
Continuous Quality Improvement:	• Each staff member is expected to demonstrate a commitment to best practice. • All staff shall take responsibility for their own practice and share responsibility for creating and maintaining a system that provides safe, high quality health care. • All staff will participate in quality improvement activities aimed at improving patient outcomes and maintaining accreditation standards. • It is the responsibility of every staff member to be familiar with Health Service-wide and specific Department Policies & Protocols.
Person Centered Care:	The Health Service supports in its values the philosophy of Person Centered Care to ensure all people, including health service providers, clients, their carers and family members are respectfully cared for and encouraged to participate in the provision of quality health care. We recognize diversity is part of every person & as such providers of health care must be actively involved in developing models of care that are person centered.
Child Safety:	All children have the right to feel and be safe. Keeping children safe is everyone's responsibility. SHDH is committed to providing a child safe environment where children are safe and feel safe, and where their voices are heard about the decisions that affect them. SHDH have zero tolerance to child abuse. Each employee has a responsibility to adhere to this requirement. Any breach of this standard will result in disciplinary action.
Our Purpose:	Connected Care / Best Experience SHDH commits to meet the growing health care needs of our community through our new vision to provide better connected care and to achieve the best care experience.
Privacy and Confidentiality:	SHDH are committed to protecting patient and staff privacy and confidentiality, as it is an important aspect of our commitment to providing high quality services. In accordance to both the Health Records Act and the Information Privacy Act, information should only be used and disclosed for the primary purpose of its collection. Each employee has a responsibility to adhere to SHDH's Privacy and

	Confidentiality Policy, as it is a condition of employment. Any breach of the rules of privacy and/or confidentiality relating to health service business, patients or medical records will result in disciplinary action.
Mandatory Training:	All employees must be aware of and complete designated mandatory training within the required time frame.
Safety:	RESPONSIBILITIES: It is the responsibility of every staff member to: • Take reasonable care for their safety and the safety of others while at work. • Report accidents, incidents and potential hazards as soon as reasonably practicable to their supervisor and record on VHIMS reporting system. • Advise their supervisor if they have an injury or illness that may affect their ability to perform the inherent requirements of your position. • Be familiar with emergency and evacuation procedures as detailed in the Emergency Procedures Manual. • Complete all Mandatory training requirements as identified and directed. • Comply with the Occupational Health and Safety Act and all SHDH O.H. & S. online Policies and Procedures.
Asset Management:	Staff with asset management responsibilities are required to adhere to the Asset Management Policy and Protocols.
